

FREUND

VICTORIA

**Catalog 2024**

**FREUND VICTORIA**  
**a range with quality and variety!**

Quality labels emphasize decisive quality features and thus serve as a guidepost. They reproduce the quality features and thus help to a valuable overview in a short time.

Here you will find an excerpt of seals of approval with no general assortment validity.

Das Zeichen für verantwortungsvolle Waldwirtschaft  
 "Look for FSC®-certified products!"

**We have clever solutions for you ✓**

FREUND VICTORIA stands for an extensive top class gardening range. Decades of experience, perfect presentation of goods on the sales floor and in addition a particularly high flexibility regarding customer requests are just some of the great strengths of the traditional company.

As a traditional and leading supplier for household, garden, construction, forestry agriculture, gardening and landscaping not simply tools are offered to the user but comprehensive solutions for the respective work and requirements.

We offer the right pruner for sensitive roses as well as tough black current bushes, for hedges and shrubs, for tree trimming, for mold cutting as box tree or for wire cutting and much more.

You will find a huge selection – even for regional specialties on hoes, spades and rakes. It is not just a fork that we offer but the manure fork, the hay fork, the spade fork, the horse fork, the potato fork, the silo fork the stone fork and many others.

... And a lot of gardening and forestry equipment, traditional and special designs, ergonomic tools, combi-tools, children's tools, a huge selection of small tools for balcony, terrace or grave maintenance and helpful tools for outdoor, camping and hobby activities.

The demands of consumers, hobby- and professional users are more than just covered thanks to this comprehensive product range.

FREUND VICTORIA – Quality and innovation that inspire!

**Our merchandising brings profit ✓**

We design your tool merchandising displays in a customer and market-oriented manner according to your individual wishes.

Specially designed merchandisers, space-saving layout and clear product information make a good presentation and therefore good sales.

Our modular elements fit into your assigned selling area and enable you to choose your product range. We take care of a uniform image.

# PROFILINE – Forestry products

## The new generation of woodworking

- ✓ Made in Germany - a German quality product!
- ✓ Quality forged axe-head molded with the handle
- ✓ Xylan coated blade surface for easy and efficient clearing
- ✓ Modern design with optimum weight distribution for saving energy when working

### New and innovative toolholder

1. Highest handle ergonomics for safe and comfortable transport even when wearing work gloves
2. Secure removal by locking button
3. Integrated toolholder
4. Permanent protection of the axe head during transportation and storage in the bracket

PROFILINE - the new generation of forestry products combines a modern, attractive design with maximum functionality and optimal working ergonomics.

The handle is made from special composite material – reinforced fiberglass and is known as particularly robust and durable. The quality forged axe-head is molded with the handle and therefore provides the highest security. The Xylan-coated surface of the head provides perfect entering into the wood, which splits easier and more efficiently. Xylan protects against corrosion and cares for product's longevity. The optimum weight distribution and the shape of the toll allows energy-saving working.

**Universal hatchet 907:**  
Usable as a hammer or heading tool  
Including transport and storage holder  
weight: 800 g, overall length: 37 cm

For small volumes of wood, in the home garden, on the road for outdoor activities, camping, campfire woodworking.  
Suitable for small to medium sized pieces of wood, for relief and for easy clearing operations

EAN-Code	Art.-No.	Pack off
4 002408 669502	1560551	6

**Universal axe 916:**  
Usable as a hammer  
Including transport and storage holder  
weight: 1.950 g, overall length: 73 cm

Suitable for medium sized pieces of wood and tree trunks, light work with the axe, relieve and easy to moderate clearing operations

EAN-Code	Art.-No.	Pack off
4 002408 669519	1560552	6

**Clearing axe 919:**  
Axe and coin in one tool, usable as a hammer  
Including transport and storage holder  
weight: 1.700 g, overall length: 63 cm

Suitable for medium sized pieces of wood, tree trunks, moderate clearing operations

EAN-Code	Art.-No.	Pack off
4 002408 669182	1560596	6

**Clearing axe 926:**  
Axe and coin in one tool, usable as a hammer  
Including transport and storage holder  
weight: 2.550 g, overall length: 73 cm

Suitable for big tree trunks and moderate to difficult clearing operations

EAN-Code	Art.-No.	Pack off
4 002408 669441	1560567	4

PROFILINE - the new generation of forestry products now with two-component handle (2 K)

**Universal hatchet 905:**  
Usable as a hammer  
Including transport and storage holder  
weight: approx. 600 g, overall length: approx. 24 cm

For small pieces of wood in the garden,  
for outdoor activities, camping, campfire  
woodworking.

EAN-Code	Art.-No.	Pack off
4 002408 669212	1560618	6

**Hookeroon 935:**  
Including transport and storage holder  
weight: approx. 300 g, overall length: approx. 40 cm

For lifting, turning and moving logs,  
pieces of wood

EAN-Code	Art.-No.	Pack off
4 002408 669748	1560619	6

**Machete 945:**  
Including transport and storage holder  
weight: approx. 450 g, overall length: approx. 55 cm

For debranching trees and trunks,  
to thin out shrubs and bushes  
in the garden and forest

EAN-Code	Art.-No.	Pack off
4 002408 669755	1560620	6

**Firewood storage shelf 67605**  
Consisting of 6 metal tube elements.  
Hammertone epoxy coating for better corrosion  
resistance.  
Recommended for outdoor use. Robust,  
high volume capacity.  
Tool-free assembly, easy to use.  
Flexible storage, variably adjustable size  
Dimensions per element:  
length/breadth/height 64/32/99 cm

EAN-Code	Art.-No.	Pack off
4 002408 676050	1910001	1

**Firewood trolley 67604**  
Metal trolley, hammertone epoxy coating for  
better corrosion resistance.  
Solid rubber tires, diameter 15 cm.  
Robust, high weight capacity, up to 100 kg.  
Specially for safe and comfortable transportation  
of wood.  
height/breadth/depth 88/35/58 cm

EAN-Code	Art.-No.	Pack off
4 002408 676043	1910000	6

**Multi-function transport trolley 67606**  
Multi-function metall transport trolley,  
hammertone epoxy coating for better corrosion  
resistance.  
Solid rubber/plastic wheels, diameter 20 cm.  
Robust, high weight capacity, up to 80 kg.  
Foldable for space-saving storage.  
For safe and comfortable transportation of wood,  
flower pots, garbage bag, bulky goods and much  
more.  
Individual use in garden, home, workshop and  
for camping.  
unfolded height/breadth/depth 104/44/60 cm  
folded height/breadth/depth 104/44/25 cm

EAN-Code	Art.-No.	Pack off
4 002408 676067	1910002	2

**Tool sharpener 960**  
Grindstone with ergonomic plastic handle  
wide range of applications:  
– tool edges with V-shape like axes and hatchets  
– tool edges, ground on one side like spades  
– scissors, garden shears, pruning shears  
– lopping shears  
– knives, mower blades  
length/width/height 16/2/7,5 cm

... and while cutting: effortlessly to the green branch!

This new series inspires every user! Equipped with a gear mechanism, a higher and thus more effective cutting performance is achieved. Non-stick coated blades ensure a reduced friction resistance and therefore an extremely clean and powerful cut. Lightweight and break-proof plastic handles with an oval grip guarantee a comfortable handling.

Work comfortably and effectively, reach your goal quickly!

non-stick coating  
gear mechanism  
shock absorber buffer  
shatterproof plastic handles

**PROFILINE Lopping shear GA 54:**  
By-pass lopping shear for high cutting precision, cutting blade XYLAN non-stick coated, gear mechanism, extremely light, shatterproof plastic handles, for cutting fresh green, branches and also hedges and bushes.  
Cuts up to 32 mm ø

### Trowel 68051

Effective weeding, especially "dandelion" because it is gripped deep in the ground by stainless steel blade, simply pulling out by footrest.

Comfortable body-friendly working position.

With tread and stainless steel gripper.

Especially handy: footrest space-saving foldable.

EAN-Code	Art.-No.	Pack off	
4 002408 680514	1990617	6	

### Roll cultivator 68055

Extra long tubular steel handle for easy reach, telescopic handle from 100 to 158 cm, working width 15 cm

Removeable aluminium wheel tines.

Non-slip and skin-friendly plastic coating for comfortable and fatigue-free work

EAN-Code	Art.-No.	Pack off	
4 002408 680552	1990619	4	

Multi purpose:

Loosen ground, mix in mulch, remove weeds, making fine crumbs.

For seeding rows.

Using in tight areas, for example between plants.

# PROFILINE Telescopic tools

**PROFILINE** – the new generation of gardening tools combines a modern, very appealing design with the highest functionality and an optimum working economy.

The products are made of high – quality special steel equipped with an ergonomic plastic D-handle which can be used on one or two hands. The handle-haptics guarantee a pleasant handling and the spades can be used flexibly, depending on the working angle. All products of this series are equipped with an ergonomic shaped handle for a comfortable and effective work.

The special – the telescope function. Depending on body height and working condition the handle can be adjusted to the optimal working height!

FREUND VICTORIA offers the matching products.

Not too long – not too short!

With the COMBILINE products a gap has been closed between the traditional long and the short handle tools.

The product family offers 4 products with optimal handles to work on the raised beds and similar conditions.

You will find each one hoe with wide blade and heart shaped blade, a small rake and a cultivator with optimal working length.

**Care and loosening of the soil  
with the two-tines rose fork**

The two-tines rose fork is a well-ried  
gardening tool for the care of rose  
bushes.

With the two strong, extra-long tines,  
even heavy soils can be gently loosened  
and aerated up to the deep-reaching tap  
root of the plants.

## Conditions

### Conditions:

**Prices:** Prices valid from 01.10.2023.

In case of serious changes in the cost structure – such as increases of labour costs and raw material price increases but also with exchange rate fluctuations – we reserve the right to carry out appropriate price adjustments during the season.

**Original packaging:** If no original packaging is ordered we will invoice a 5% surch arge.

**Insurance:** Charged to the recipient.

**Jurisdiction:** Stated by the supplier.

The goods remain our property until final payment.

This price list is based on our „General Terms and Conditions of Delivery and Payment“, which can be viewed on our home page [www.freund-victoria.de](http://www.freund-victoria.de)

Subject to execution changes and misprints.
